FOREWORD

This present edition is a continuation in the series to contribute to a wider and more timely dissemination of information to users on the condition and quantity of life of people of the State. Particularly, it brings together all the separate bodies to social and economic statistical indicators into the publications for ease of reference for researchers, planners, administrators and decision makers.

Statistical outfits in the various Ministries and Agencies have been very helpful in providing information for the various sectors of this hotline. The Central Office of Statistics therefore expresses its appreciation for the cooperation of these Ministries/Agencies including Federal Road Safety, Lagos State Police Command, The Central Bank of Nigeria and National Bureau of Statistics.

The Central Office of Statistics would like to appeal to other agencies who did not respond to data request for their cooperation in future compilation. This is to enable the office present a timely and comprehensive data series which would be valuable to users of statistics.

Suggestions for improving the coverage and scope of the contents of this publication would be highly appreciated.
